**Re: Fairfield Hospital District d/b/a Freestone Medical Center – Public Information Act request dated October 1, 2026; Texas.gov Request ID 66476186**

Dear Mr. Spurck:

Thank you for your October 22, 2026 letter asking the Attorney General for a decision on item 5 of the Council's request. As Section 552.304(b) requires, I enclose a copy of the comments I am submitting to the Open Records Division today.

Please note that your letter copied me at robert.sharpe@freestinegoodgov.org. The correct address is **robert.sharpe@freestonegoodgov.org**. Please use it for all future correspondence, including the District's comments under Section 552.301(e-1).

I have three requests:

1. **Release of items not at issue.** Your letter seeks a ruling only on item 5. The District's audited financial statements, adopted budgets, tax-rate worksheets, debt and reserve schedules, service-use reports, tax election materials, and governance records (items 1–4 and 6–8) are not part of the ruling request. I ask that the District release them now, rather than holding the full request until the ruling issues.
2. **A list of what is being withheld.** Please identify the agreements responsive to item 5 that the District is submitting to the Attorney General.
3. **A copy of the District's comments.** Please send me the District's written comments to the Attorney General, redacted as needed, when they are submitted.

My request seeks aggregate information only, not patient records. If narrowing any item would resolve a concern, I am glad to discuss it.

Thank you for your attention to this matter.

Respectfully submitted,

Robert P. Sharpe
