Re: Fairfield Hospital District d/b/a Freestone Medical Center

Dear Sir or Madam:

This law firm represents Fairfield Hospital District d/b/a Freestone Medical Center ("District"). This letter is to request an Attorney General decision regarding whether or not certain information is confidential and privileged and may be withheld by District pursuant to the Texas Public Information Act ("Act").

On October 8, 2026, Freestone County Good Governance Council submitted a request to the District under the Act for:

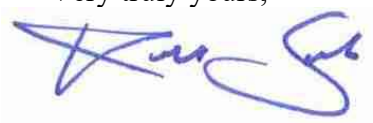

> **5. Operating and service agreements.** Current hospital and clinic ownership, lease, management, operating, and affiliation agreements, including amendments; agreements governing District funding or oversight of Freestone Medical Center and supported clinics; and current EMS, transfer, mutual-aid, and shared-service agreements.

Regarding the request, it is the District's belief that the exceptions under Subchapter C of the Act, including, § 552.101, § 552.104, § 552.110 and § 552.1101 of the Texas Government Code may permit certain documents to be withheld. Therefore, as required under Section 552.305 of the Texas Government Code, the District provided notice to Community Hospital Consulting, Inc. in the event that it believes that its agreement should be withheld under the Act. The documents will be submitted, at a later date.

In compliance with the Act, a copy of this letter request is being provided to requestor contemporaneously with this letter.

Thank you in advance for your attention to this matter.

Very truly yours,

Robert L. Spurck
