Subject: Supplemental Public Information Act Request – FHD Proposition A

Michelle,

Thank you and Ms. McBay for the October 24 response to my October 23 request. I appreciate the time your office took to pull it together during early voting.

Attached is a signed supplemental Public Information Act request dated October 26, 2026, addressed to Ms. McBay as Officer for Public Information. Would you please make sure she receives it? It supplements my October 23 request and does not replace it. It covers a few items that weren't included, such as the election services contract and any written correction notice to the Secretary of State, and clarifies that text messages and call notes related to county business are included.

A brief reply confirming receipt would be appreciated. Thank you both for your service to Freestone County.
