Mr. Sharpe,
I hope this email finds you well.

I have attached the remainder of FY2024 and FY2025 monthly reports in the format requested. Some items are also available in the public search tool on the county page up to 4/2025. I wanted to highlight that I can go over to county clerk storage and pull the stamped commissioners' court seal version, but this is the presentation submitted in April 2026 to close year end for FY2025. They just have not gained scanning to those more present months yet.

With the turnover we have experienced in the Auditors office in the past year and the transition of software, as well as the FY2025 outside audit still being in progress, we are slowly working on getting certified commissioner court treasurer reports for FY2026. We thank you for your patience. If there is anything else that you need, please feel free to email me.

Thank You,
