The Honorable Lloyd L. Lane

The Honorable Lloyd L. Lane,

I apologize for the mix-up on the email address on the Public Information Act request I delivered to you on August 17. Please send any reply to:

[redacted]

The address ending in [redacted] is not in use.

I emailed this correction last week and am delivering this copy in person so the file in your office has the working address.

Thank you for your time and for the work you do for this county.

Respectfully submitted,
