Subject Re: Public Information Request

Ms. Gregory,

Quick update: please disregard my request for the Tax Abatement Agreement. The County Judge's office just sent me the CyrusOne Tax Abatement and the Order on Reinvestment Zone. I'm checking with them on the Road Use Agreement, so you can set that one aside for now too unless I follow up.

Thank you again for your help, and good luck with the EasyDocs rollout.

It will be a work in progress. I have started with the most current and I am working my way back through 2026. For the time being, I will provide you with the website. Just know that it is not available for the public until it is loaded on our website. The website is https://freestone.easydocs.us.
