Re: Thank you for the victim services records; follow-up on Public Information Act request of September 3, 2026

Dear Mr. Evans:

Thank you for your email responding to my August 17, 2026 victim advocacy request. The Victim Coordinator job description, the 2024 through 2026 budget sheets, and the victim packet materials were very helpful. I also appreciate your explanation that, while not written, your office's policy is for the Victim Coordinator to send a victim packet to every victim connected with a case your office receives. Please send any reply to my Council email, **robert.sharpe@freestonegoodgov.org**.

I have two short follow-ups:

1. **August 17, 2026 – two remaining items.** If they exist, I would appreciate a record showing whether the Victim Assistance Coordinator position is currently filled (item 2), and any contract or agreement with another entity that performs victim-advocacy work (item 5). If there are no such records, a short note saying so fully answers these items.
2. **September 3, 2026 – Criminal Justice Center prosecution, court-space, security, and operational needs.** Existing records showing the District Attorney functions planned for the proposed facility, related cost estimates, expected efficiencies, and alternatives considered. I am not requesting case files or confidential case information. I have not yet received a response to this request.

More than 10 business days have passed since the September 3 request. I would be grateful for those records, or a written date when they will be available under Government Code 552.221(d), within the next 10 business days. If any record is believed to be excepted from disclosure, please release the remainder and identify the exception claimed.

I would appreciate a brief reply confirming that you received this letter. Copies of the August 17 and September 3 requests are attached.

Thank you for your time and for your service to Freestone County.

Respectfully submitted,

Robert P. Sharpe
