Sheriff Shipley,

Please see the attached signed letter. It follows up on two Public Information Act requests I hand delivered to you on August 17, 2026 (automated license plate readers and related technology; Sheriff's Office payroll and compensation). It also includes one new request, dated today, for aggregate records of inmate medical care, outside housing, and medical transport costs, to help with a possible countywide study of hospital and EMS services. Copies of all three are attached.

I am transitioning to my Council email for this work, so please send any response to robert.sharpe@freestonegoodgov.org.

I would appreciate a brief reply confirming that you received this email. Thank you for your help and for the work your office does for Freestone County.

Respectfully,
